

# Our very own MICE Program Ideas

5 amazing days in amazing Bali

# About Sanur

**Sanur** is located on the east coast of Bali and is most well known for its paved beach path that runs the length of Sanur and its **legendary sunrise**

The sea here is calm as the area is protected by a surf break. Popular for families and those who look for a more laid back, relaxed place.

**Perfect** location, well connected

Unlike in overcrowded Kuta - traffic is not a problem here – making Sanur a perfect MICE destination. With the new toll way we are **only** 20 minute drive from Uluwatu's sunset or Ubud's rice terraces

Restaurants and shopping opportunities are sprinkled throughout Sanur.  
It is perfect place to enjoy a little bit of everything.

# Amazing North

Wake up call at 6.30, enjoy our signature breakfast and start your journey at 8.30.  
It will be a full day tour and you will return to the hotel around 5.00 p.m.

A trip to Ubud is an excellent way to gain an understanding of art and culture in Bali. You can see wildlife monkeys at Monkey Forest, shops for great artwork and explore Balinese culture.

A scenic drive over small roads overlooking beautiful rice terraces will bring you to the mountain village of Kintamani which offer spectacular views of Lake Batur and the active volcano of Mount Batur.

There are many restaurants in Kintamani to enjoy a delicious lunch and fantastic views to the mountain

Return through traditional villages with stops at the elephant cave: Goa Gajah, a hermitage from the 11th. Century used by both Buddhists and Hindus

# Amazing East

Wake up call at 6.30, enjoy our signature breakfast and start your journey at 8.30.  
This is an eight-hour tour to the East part of Bali.

Your first visit will be to **Kerta Gosa**, the former courts of justice in Klungkung regency which date back to the 18<sup>th</sup> century. Interesting illustrations can be seen on the ceilings which portray the visions of heaven and hell. The next stop will be at the eerie bat caves of **Goa Lawah** where we see the walls covered with thousands of bats which haunt the caves.

Traditions have not changed over the centuries in the Bali "Aga" village of **Tenganan**. Here the villagers weave the famous gringsing sarongs which are said to have special powers for the wearer. A rest for lunch will be in Candidasa, before going on to the royal bathing pools of **Tirtagangga**

# Amazing South

Enjoy a bite at the hotel before we start the journey at 13:00

Today we head south to the famous holy temple of Tanah Lot, built on a barren rocky island etched against the sky. Continue the journey to visit another beautiful temple located on top of a cliff and overlooking Indian Ocean, the Uluwatu Temple.

A number of monkeys dwelling the surrounding completed the beauty of the view. Before we reach the temple - a stop can be made at Garuda Wisnu Kencana, a Balinese landmark which lies on a high location from which you can enjoy beautiful panoramic views surrounding the island.

After enjoyed the sunset at Uluwatu temple you can have your dinner on the beach with a super fresh catch of the day at Jimbaran Bay.

# Amazing Helicopter to Gili

Flying along the North East coast of Bali, you will see Mount Agung to your left and Lembongan Island to your right. As we approach Gili Trawangan, Mount Rinjani, Indonesia's second highest volcano can be seen close by on neighboring Lombok dominating the views towards the East.

Friendly local faces will welcome you on arrival and a horse and cart will whisk you off to your hotel or villa.

White sandy beaches and turquoise clear blue seas await you on this tranquil paradise lost island.

Spend lazy days on the beach or try your hand at some world class snorkeling and scuba diving due to the abundance of marine life and attractive coral formations

# Amazing Kuta

Only 25 minutes from Sanur, you can leave the hotel late afternoon at 4.00 p.m. to spend your time at Kuta.

The five km long sandy stretch of Kuta is arguably the best beach front in Bali. Lots of markets and shops are waiting for you to negotiate. Discovery Shopping Mall and the Beachwalk are located directly on the beach and offer all popular brands and also great opportunities to enjoy your sundowner cocktails.

Once the sun goes down, Kuta is Bali's Party hotspot.

# Local Sanur Sensation

Daily Activities a walk away

# Amazing Elephant Expedition

This one of kind of unique experience is truly interactive as you take care of Sumatran elephant as a part of your day at the zoo. It's the only program like this available in Indonesia. You will learn how to bathe & scrub an elephant, train an elephant and then learn how to drive one.

The driver from the Zoo will pick you up at the hotel lobby at 08.30 – 09.00.

An Exclusive Elephant Expedition will take approximately 75 minutes and a set lunch will be provided at Okavango Restaurant

Thank you
